1:7 Ratio is used

SSJBA is working to advance as many participants as allowed by Jr Gold rules.

If participation warrants, we will use U18B, U18G, U15B, and U15G. We will add U12 if needed.

Combining divisions may be necessary to advance bowlers.

SSJBA utilizes the major fraction thereof rule. This means if a division has 4-6 additional participants, SSJBA will provide the fund shortage in order to advance an additional bowler.
